

# THE POWERFUL HARMONY OF GREEN MINT

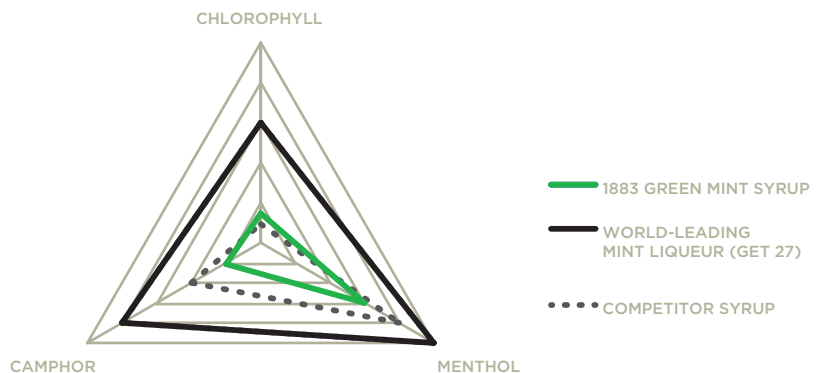

Soft shimmering emerald green, still lively when mixed, affirms a mint syrup with flair...

Intensely fresh, borderline spicy, nose tingling, an exciting aroma that announces its presence!

Fine-tuned with the utmost care, this 1883 syrup offers the palate a powerful green mint performance, slightly tempered by a subtle hint of chlorophyll.

## AUTHENTIC

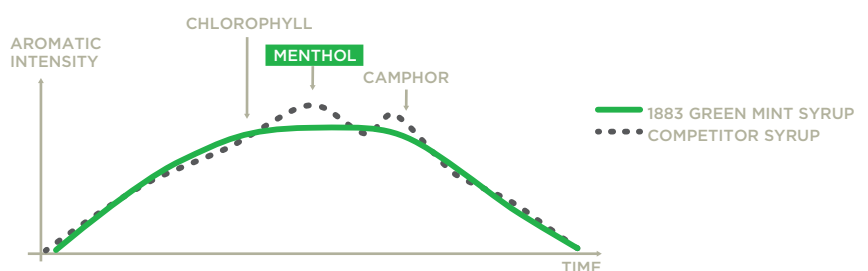

This 1883 syrup displays mint's characteristic menthol and camphor overtones.

## PURE AND INTENSE

A cool, intense, camphorated scent.

The mentholated note is softened by a chlorophyll undertone for a full-bodied and harmonious experience.

Always revered, an ideal flavouring for sodas, cold drinks, and anise liqueurs, Green Mint ranks among the most popular syrups! Whether in a Mint Julep, hot tea, or simply with water or milk, 1883 Green Mint Syrup reveals itself as a truly versatile flavour.
